Team-Player / Problem-Solver / Self-Starter

PROJECTS

SeniorPal / UX Case Study / 2023
- Assist medical professionals and seniors with tracking health histories, emergency requests, and safety through AI on tablets at nursing homes.
- Skills: Figma, Research, User Interview, Persona, User Journey, Task Flow, Wireframe, User Testing, UI Design, and Prototype

Scent Community / UX Case Study / 2022
- Provide a social media platform on mobile for people to share their scent experiences or find a scent based on usages.
- Skills: Figma, Research, User Interview, Persona, Task Flow, Wireframe, User Testing, UI Design, and Prototype

WORK EXPERIENCE

Chionii Studio / AI Graphic & Web Designer / November 2023–Present
- Provide design direction and create printed/digital materials for clients.
- Manage and design the company's brand package based on demands.
- Use AI as a tool to help projects and work be more efficient, including ChatGPT, MidJourney, FireFly, and Bing.

SOLTECH LLC / Visual Designer / November 2021–August 2022
- Created various marketing materials, such as banners, labels, infographics, brochures, slideshows, emails, and company documents to support the SOLTECH and CALIVE brands' marketing team.
- Designed and laid out two brands' email campaigns using MailChimp/Sendinblue, resulting in a record-high 26% email open rate.
- Used Elementor, HTML, and CSS for the front-end UI to update website content.

Smart Meetings / Graphic Designer / October 2019–November 2021
- Designed magazine layouts for regular columns and feature stories.
- Received two awards for Smart Meetings Magazine, demonstrating exceptional design skills and attention to detail.
- Produced marketing and event materials, including digital banners, poster boards, videos, and motion graphics, for the marketing and event team
